

KUDOS to those who helped make ROC E6 a SUCCESS in Summer 2006

On the Last day of the camp, the students were instructed to write anything they wanted to a counselor or guest speaker while the teachers graded their final exams. The notes below are excerpts from those writings. Spelling errors were corrected but all content remained the same.

Thank You ROC Wrestling Program. Thank you for making our summer fun and giving all you got to make us better at school, helping us get better at lacrosse, wrestling, and to respect others. I just wanted to take a minute and write how thankful I am to be in your camp.

To ROC E6, From **Marcus Hayes**

Dear Speakers:

Thank you for coming to the camp and for motivating and encouraging us to do what's right. Most people wouldn't take the time to talk to kids. And you people talk about things that have a message behind them, and to make sure we see what's right and wrong. Thank You.

Malik

Dear Speakers that came to ROC E6,

I thank you from the bottom of my heart for the time you spent with us. Your words are strong and reached our heart. I now believe I can do anything in the world. Seeing all of your success makes me believe that there is more to life than TV and video games. There are a whole bunch of opportunities that can get me anywhere in life. Once again, I thank you for your kindness and your time for the strong words that motivated us to do more with our lives, and I believe that I can achieve my dreams.

Thank you so much, **Jordan**

Dear Speakers:

I want to start by thanking you for taking your time and coming in and just telling how we can do better in life. You speakers just are terrific. I personally think that you guys really speak out the truth. Well got to go, see you later!

From your student to be, **Ke'Juaine Sayres**

Dear All Guest Speakers,

I thank you for coming and taking time to talk to us. I also appreciate you giving things to us like posters and team jerseys. I liked it when you did tricks and said inspirational stories to us. Some of the stories made me want to do some of that stuff. I hope to see all of you again.

Dear Speakers:

Thanks for talking to us about business and solving our problems. I just wanted to take a minute to say thanks for making me a better person.

Dear All Guest Speakers:

I thank you all for coming in and speaking with us for such wonderful reasonable reasons. I was very entertained by what you all were talking about. But who I really liked was Ethic, my dad when he came in, Pastor Parris, and the Deputy Mayor.

Michael Roby

Dear Motivational Speakers,

Thank you for coming to the ROC E6 Summer Camp. Your words of wisdom touched many, whether it was about taking control in life, starting a business or other things. One of my favorites were when Ethic (Mike) showed how good he could do slam poetry. But all the speakers were great. Please come to the camp next year with new things you read to us. We'll be waiting.

Sincerely, **Cameron Tyson**

Dear Speakers:

Thank you for all the stuff you said to us. It was really great. The stuff about violence and poetry... I really had a good time. That was really good stuff. All the stuff was nice.

Dear Speakers:

I thank you for coming to speak to us in the afternoons, telling us we should be ourselves, to stay in school, to keep out of trouble. Thanks for telling us slam poetry – hope you can come again. Thank You.

Sincerely, **Zachary Vega**

Dear Speakers,

Thank you for coming in and using your time to talk to us. I listened close to everything that you said and I will tell my friends all about what you said in the school year. I hope that I will see you again sometime. Next year I hope you come back and talk again.

Jasmine Roby

Dear Speakers:

Thank you for coming and talking to us. I have learned a lot. All of you have inspired me to do the right thing. I have learned that I don't need to know "the code of the streets" and I have also learned that if I don't do the right thing I might end up somewhere I don't want to be. Thank you for teaching me right.

Sincerely, **Quiaja**

Thank you to all the guest speakers that came and talked to us. They taught us about how to be better people and how to not be on the streets.

Brianna Hanks

Dear Motivational Speakers,

Thank you for coming to talk to us. Your words have really left an impression on us and we will never forget them. Thank you for impeding your wisdom upon us.
